

CAD TECHNICIAN

Coastal Engineering Co., Inc. is seeking a CAD Technician to provide drafting support for Project Managers.

Job duties include:

- Computer-aided drafting of engineering plans.
- Coordination with staff, clients, and other consultants, as appropriate.
- Preparation of engineering design plans and construction documents for various projects.
- Review of shop drawing submittals.
- Miscellaneous calculations.
- Engineering and surveying field work.
- Assisting Project Managers in preparation of project deliverables.
- Other duties as appropriate.

Qualifications:

- Two years of experience in preparing engineering plans using AutoCAD V14 or higher.
- Valid driver's license.

Coastal Engineering Co., Inc. has offices in Orleans, Sandwich, and Nantucket, all just a few miles from beautiful Cape Cod beaches. Recreational and cultural opportunities abound. The company offers an attractive benefits package including health, dental, disability, and life insurance, 401K, and a generous holiday and paid time off package. EOE.
