

# CAPE COD NATIONAL GOLF CLUB

Brewster, MA

Cape Cod National Golf Club is a private, 18 hole championship facility in Brewster. The natural beauty of Cape Cod's rolling hills, kettle ponds, indigenous cranberry bogs and vibrant foliage are evident throughout the award winning layout. Coastal provided topographic plans, installed monitoring wells and lysimeters, performed a feasibility study, designed and installed a new sewage disposal system. Currently, improvements are being made to the clubhouse and adjacent grounds.
